### Roger's Credentials:

For over 30 years, Roger has served as a CEO, Senior Executive, and Director for leading companies across Southern Africa, the UK, Italy, and the US.

He was involved in local and international operations of SA Druggists which was sold to Aspen Pharmaceuticals for R2.4 billion and was responsible for product and business development for the international division operating out of London. Key achievements during his tenure included patenting and launching new products, the acquisition of two companies, and the establishment of a manufacturing facility in the USA.

Roger was also the turnaround CEO of GR Pharmaceuticals, where, after 6 years, he succeeded in a management buy-out of the company, which is now debt-free.

Roger is currently Chairman of a Western Cape professional services business and coach to the CEO. Before this, he was chairman of the Risk Committee at Adcock Ingram.

### About Roger:

Roger has experience as an executive, director, consultant, and coach across a broad range of industries and believes that coaching is a natural extension and culmination of his involvement in people development across organisations.

Roger is a systems thinker in all that he does and strives to find innovative solutions to challenges. He has a values-based approach to achieving enduring business success and is invigorated by the challenges of growing business value and also value recovery in turnaround situations.

Roger also has deep experience in strategy development and implementation, risk management, corporate health evaluation, and in mentoring senior executives and directors.

### How Roger can help your business:

Roger is passionate about working with both entrepreneurs and intrapreneurs, and assisting them to pursue personal development, and company growth.

Roger brings a wealth of knowledge to the table, including financial and business analysis and application, experience and insight into target markets and niche areas, as well as innovative and creative thinking.

As a coach, the core problems that Roger can help a business overcome include optimising the supply and value chain, confronting internal challenges, and developing management teams to ensure cooperation and collaboration for robust, growing operations. Roger is driven to make a positive impact on CEOs/Founders, and their teams, to ensure that their company can achieve the desired results, allowing them to move on independently while continuing to grow and scale the business.

Build your business with  
**clarity and confidence.**
